

# International Workshop on Chondrichthyan Development and Genomics

Prato, Italy  
October 22 – 25<sup>th</sup> 2024

**About the Venue:** The meeting will be held at the “Prato Centre”, Monash University’s base for international education programs and hub for research collaboration. The Centre is located in a 18th-century palace in the Prato’s historical centre, the beautiful *Palazzo Vaj*. Prato is located in the heart of Tuscany not far from Florence and other historical cities.
